

The Building Patana campaign was launched in 2007 during the school's 50th anniversary celebrations. Donations to this fund support the building and renovation of facilities to keep the school at the cutting edge of international education and to provide 21st Century learning environments. Donations help to bring forward learning environments that greatly enhance the education of all students.

All donors to the Capital Fund receive a plaque in the facility they choose to support, which to date include:

- The Science Centre
- Dance and Drama Studios
- The Arts Centre
- Secondary Library
- Primary Library
- 25m Pool

Donations can be made through our Levelled Clubs or through naming rights in the facilities listed above.

All donations to the Capital Fund receive a double tax deduction on personal income tax and corporate taxes.

For more information on how to donate to the Capital Fund please contact Kulvadee (Dee) Siribhadra, Director of the Foundation Board Office at [board@patana.ac.th](mailto:board@patana.ac.th) or telephone 02 785 2497.

# Seat Sponsor

Take a Leading Role in our Theatre!

Artistic endeavours form an integral part of the progressive curriculum at Bangkok Patana School. Sponsoring a seat in the Rosamund Stuetzel Theatre commemorates your support of the Arts programme, including the many drama and musical performances that take place here.

Sponsorship is only THB 15,000 per seat. In return your seat(s) will bear a plaque engraved with your name for the lifetime of the seat.

Please note that sponsoring a seat does not entitle you to sit in it at future performances.

“The facilities that Bangkok Patana School provides to the students is part of what makes it the best school in Bangkok. The opportunities provided for students to develop new skills, express creativity and improve their learning are also among the best.” *Student’s response to Guiding Statements Survey, May 2018*
